WORK EXPERIENCE

- **General Dentist for a Private Clinic**, Kassala, Sudan Jun 2023 – Dec 2023
 - Worked in a rural dental clinic with limited resources, providing comprehensive dental care.
 - Managed and treated patients with extreme dental problems such as **space infection, impacted wisdom teeth extraction, and severe Chronic necrotizing periodontitis (CNP)**.
 - Adapted to resource constraints by innovating and utilizing available materials effectively.
 - Educated patients on oral hygiene practices and preventive care in a resource-limited setting.
 - Developed strong **problem-solving** skills to address unique challenges in a rural healthcare environment.
- **General Dentist Manager for a Private Clinic**, Khartoum, Sudan May 2017 – Apr 2023
 - Saw an average of **5-10 patients** per day.
 - Strong interpersonal and communication skills, fostering positive relationships with patients, staff, and colleagues.
 - Dedicated to providing exceptional patient care and ensuring a positive experience.
 - Able to maintain composure during emergencies and high-pressure situations.
 - Detail-oriented with a focus on accuracy in managing schedules, billing, and records.
 - Actively pursuing professional development to stay updated on industry trends and best practices.
- **General Dentist, Alamal National Hospital**, Khartoum, Sudan May 2019 – Apr 2023
 - Saw an average of **20-30 patients** per day.
 - Performed dental procedures including but not limited to: **X-rays, cleanings, fillings, periodontal maintenances, crowns, bridges, extractions, and esthetic work**.
 - Maintained a clean workstation compliant with best safety practices.
 - Educate patients about treatment options and at-home care techniques.

LEADERSHIP & ORGANIZATIONS

- **Cleft Initiative Volunteer**, Kassala, Sudan September 2023
 - Delivered dental services to underserved communities in remote or rural locations.
 - Conducted oral health assessments, cleanings, and preventive treatments.
 - Sterilized dental equipment and instruments.
 - Supported Surgical teams during cleft lip and palate surgeries.
 - Empowered patients with knowledge about maintaining healthy teeth and gums.
